

CASK ALE

Gritty McDuffs Best Bitter (ME) 5% ABV - \$7.50

A true English classic. Copper-hued and well-balanced. They use rare East Kent hop flowers in the brewing of this ale, and this particular batch is dry hopped with Cascade hops!

CIDERS ON DRAFT

Angry Orchard Crisp Apple (OH) 5% ABV - 6.00

Fresh apple aroma & slightly sweet, ripe apple flavor make this a great cider

Crispen Cider (MN) 5% ABV - \$7.00

Fruit forward, w/ a fresh, crunchy apple nose & deliciously creamy mouthfeel

MEAD - HONEY WINE

By Moonlight Meadery

Sumptuous 13.6% ABV - \$8.50

Made from honey and mangos, sweet but not overly so, smooth, wonderful complexity between the flavors and the long lasting finish, with a light body.

Wicked 13.3% ABV - \$9.50

Wicked as in awesome, the ginger and Madagascar-Bourbon vanilla each add a nuance to the honey flavor and aroma. Spice from the ginger balances well with the smoothness of the vanilla.

Kurt's Apple Pie (16.8% ABV) - \$8.50

Made from local apple cider with Madagascar bourbon vanilla and Vietnamese cinnamon spice added. Get your piece of the pie!!

Blissful 15.2% ABV - \$8.50

Made from honey, black currants, blueberries, black raspberries, the black currants dominate the flavor; some describe this mead as something similar to a big, bad chardonnay.
